*A great teacher is someone who pays attention to their students' learning style and implements techniques that meet their way of learning.*

When Ian entered first grade, he was shy about participation and his reading ability. His new teacher, Maryanne Marinetti was very aware of Ian's feelings and reservations and catered to his learning needs. Ian's reading has excelled and he is a thriving, excited student. He loves to read, enjoys being with his classmates and considers Maryanne his friend.

## TEACHERS MAKE A DIFFERENCE

Maryanne Marinetti is truly dedicated to giving her students the best academic and hands-on education possible. Her classroom has a warm, friendly, endearing atmosphere that enhances children's learning with stimulating and positive visuals that help to expand young minds and encourage creativity.

Ian couldn't be any happier going to school each day. From our heart to yours, Mrs. Marinetti, we thank you!
